Subject: Results of the 2nd General Mock Session of ATHEXGroup's Business Continuity Plan

Dear Partners,

We would like to thank you for your response and your participation in the 2nd General Mock Session for the **Business Continuity Plan (BCP) of ATHEXGroup, held on Saturday 07/03/2015,** significant part of which was to establish a connection to an alternate access point.

All three Exchanges that are part of the Common Platform participated in the Mock Session with their participants testing their connection to the Alternate Access Point following a set of scenarios.

Specifically, for the individual exchanges, we report the following:

ATHEXGROUP
Athens Exchange Group

1. ATHEX EXCHANGE - ATHEXCLEAR

In the markets of Athens Exchange, 45 Members participated (which represent more than 80% of the total average daily trading activity), 11 of which were remote members of ATHEX.

The participation in the post-trading procedures was also significant with 17 Operators-Members connecting to the Dematerialized Securities System (DSS).

2. CYPRUS STOCK EXCHANGE

In the markets of Cyprus Stock Exchange, 14 Members (out of 21) participated, 5 of which were remote members of CSE.

3. SIBEX EXCHANGE

In the markets of SIBEX Exchange, 1 Member participated in the tests and also in the corresponding post-trading procedures by connecting to the Dematerialized Securities System (DSS).

CONCLUSION

Taking into account the total overview of the participation in the mock session (7.708 orders were entered and 9.798 trades were executed) and the remarks of the participants, we conclude that ***the annual (for 2015) test implementation of the Business Continuity Plan (BCP) of ATHEXGroup was successfully completed.***

Regards,

Andreas Daskalakis

Director of Market Operation & Member Support Division
