

PIRAEUS BANK

PIRAEUS SECURITIES S.A. is the leading brokerage firm in Greece commanding a market share of 17.1% (2019) and 19.1% in 2020 (YTD) of the trading volume in the Athens Stock Exchange (ASE). We provide best-execution services to institutional clients as well as access for our private clients to international markets. Apart from equities, our derivatives and fixed-income team has strong expertise and understanding of the individual financial instruments while our market-making team is firmly committed to providing liquidity in the market. Our research team is well-recognized by institutional investors for providing bespoke and insightful fundamental analysis aimed at discovering investment opportunities for the portfolio managers and buy-side analysts. The firm is 100% owned subsidiary of Piraeus Bank.
